CERTIFICATE OF CONSENT

I have been invited to participate in the research on Farm to Table: A Management Information System for Baybayani. This allows me to contribute the different learning competencies that will be included in the mobile application that will be developed by the researchers. I believe that my participation in this study will enable them to craft an ecommerce platform suited to the needs of the organization.

I have read the foregoing information, or it has been read to me. I have had the opportunity to ask questions about it and any questions I have been asked have been answered to my satisfaction. I consent voluntarily to be a participant in this study.
